

“黄色货轮”是一个多媒介装置。它包含了1500个贴有重庆本地公司出口产品标签的纸箱。货轮船尾装有一个单频道录像投影。单频道录像放映的是长江与嘉陵江交汇口。长江最终汇入太平洋，通过海运把重庆制造输往世界各地。

“Yellow Cargo” is a site-specific installation with 1,500 export merchandize boxes. The boxes have stickers of local Chongqing companies on them. The installation comes with a single-channel projection on the back of the “cargo ship,” screening the confluence of Yangtze River and Jialing River. The Yangtze River eventually merges into the Pacific Ocean, carrying the made-in-Chongqing merchandize to the world.
